Good Afternoon,

I am e-mailing you from the US Army Corps of Engineers HECSA Office of Counsel in reference to Mr. Devine Jr.'s FOIA request. In an effort to determine what responsive information, if any we have, our regulatory office has requested some clarification.

What is the timeframe you are interested in? In providing your interested timeframe, please be advised that our approved jurisdictional determinations are only valid for five years so including previous timeframes will include jurisdictional information that is no longer valid/current

Does the scope of your request include Rapanos JDs or also 2015 Clean Water Rule ones?

Finally, please be advised that any information provided will only include approved jurisdictional determination information. USACE does not record any specific information regarding aquatic resource type with preliminary jurisdictional determinations as they cannot make any sort of official determination regarding jurisdictional status or category of waters of the U.S.

Thank you for your assistance in forwarding this email to Mr. Devine Jr. and please provide me with a direct contact email for Mr. Devine Jr. for future correspondence.
